Dear Customer,

GE Jenbacher GmbH & Co OG is committed to being a market leader in supplying products throughout the world. We have put in place strong programs to comply with regulations in all countries in which we do business. Our approach to REACH (Regulation 1907/2006 on the Registration, Evaluation, Authorization and Restriction of Chemicals adopted by the European Union in December 2006) is being addressed in the same rigorous manner.

We have been closely following the legislative development of REACH. We are working with our suppliers to identify any potential implications of REACH on the availability of materials. The vast majority of our products including accessories and packaging are considered "articles" under REACH. The candidate list pursuant to Article 59 of REACH has been published by ECHA (European Chemicals Agency) at http://echa.europa.eu/chem_data_en.asp. Based on a review, we have been informed that the following Candidate List Substance is contained in the article supplied, above a concentration of 0.1% by weight of product and inform you acc. Article 33 accordingly:

Part No.	Description	SVHC Name	CAS No.	EC No.	Concentration	Safe Use
612163	Flexible hose	Alkanes, C10-13, chloro	85535-84-8	287-476-5	3,16%	Not applicable
612563	Flexible hose	Alkanes, C10-13, chloro	85535-84-8	287-476-5	3,16%	Not applicable
629638	Flexible hose	Alkanes, C10-13, chloro	85535-84-8	287-476-5	3,16%	Not applicable
527170	Flexible hose	Alkanes, C10-13, chloro	85535-84-8	287-476-5	2,84%	Not applicable
382009	Flexible hose	Alkanes, C10-13, chloro	85535-84-8	287-476-5	3,16%	Not applicable
400596	Flexible hose	Alkanes, C10-13, chloro	85535-84-8	287-476-5	2,97%	Not applicable
165120	O-ring	Bis(2-ethylhexyl)phthalate	117-81-7	204-211-0	>0,1 wt%	Protective gloves made of nitrile or butyl rubber recommended
