

E 0400 6

Recording operational data

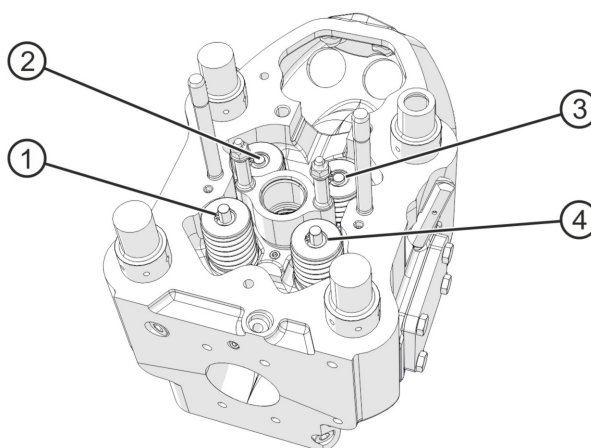

Operational data - Valve-stem projection

1 General view

Equipment no.:		Engine no.:		Module no.:	
----------------	--	-------------	--	-------------	--

*Cylinder head engine type 6 (symbolic representation)*

①	AV left - Outlet valve left
②	EV left - Inlet valve left
③	EV right - Inlet valve right
④	AV right - Outlet valve right

After maintenance has been carried out, send the completed data sheet to digitization.request@innio.com.

2 Operational Data

Equipment no.:		Engine no.:		Module no.:	
----------------	--	-------------	--	-------------	--

New cylinder heads are marked with "x" in "New".
